To choose doubt as a philosophy for life is akin to choosing immobility as a means of transportation

Future Improvements

The image shows a screenshot of the UC-Me mobile application. At the top, there is a teal-colored header bar with the text "UC-Me" on the left and a circular button on the right containing a graduation cap icon and the text "Your Group Picks 0". Below the header is a white navigation bar with links: "Navbar", "Why We Choose To Help YOU", "Available Groups", and "Your Groups". The main content area features a large, atmospheric photograph of a mountain range with misty peaks. In the bottom right corner of the main screen, there is a dark, rounded rectangular callout box containing the text "Meet With Your Fellow Students" and "Take your education back into your own hands." Below this, a smaller line of text reads "This is an app for student by students."
